

## Teachers, are you ready to run your own STEM/Science Week in 2023?

**STEMPOINT East are teaming up with the University of Hertfordshire Centre for STEM Education to deliver some fantastic STEM Ideas and Activities virtually via Zoom for you, ready to run your own STEM/Science Week in 2023! - Session will include a KeyNote Speaker!**

Teachers, are you ready to run your own STEM/ Science Week in 2023? Take away some great ideas and electronic resources and learn how to apply these to have a successful STEM Day/Week in school at anytime of the year that suits your timetable.

**Have your choice:** Register your interest [HERE](#) and let us know what sessions times suit you! Either: 1 x 4 hour session (with 1/2 hour break) or 2 x 2 hour sessions (twilight)?

We want to work with you to make sure these sessions run at the times that are convenient to teachers during February 2023.

**We will go for the majority vote and let you know as soon as possible.**

**Dates:** During February 2023

**Times:** TBC - Have your say!

Cost: £80.00 per delegate (State Funded Schools) £120.00 for Fee-Paying School - includes teacher resources! **Please note:** Once registered your school will be invoiced even if you do not attend the sessions.
